Re: Docket No. 23-030-03 – *Moon Lake Electric Association, Inc.'s 2023 Wildland Fire Protection Plan Compliance Report*

Dear Mr. Miles,

The Public Service Commission (PSC) reviewed Moon Lake Electric Association, Inc.'s ("MLEA") October 30, 2023, filing of its 2023 Wildland Fire Protection Plan Compliance Report ("Report") pursuant to Utah Code Ann. § 54-24-203(4). The Report describes work items completed in the past year and changes to its Wildland Fire Protection Plan (WFPP). The report also states MLEA incurred costs of approximately \$301,107 to administer its WFPP in 2023.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on November 16, 2023. DPU emphasizes four main points presented in the Report including plan expenses, completed plan implementation, plan implementation in high-risk areas, and changes to WFPP. DPU comments that MLEA's Board of Directors reviewed and approved the Report on October 25, 2023. DPU supports the filing and recommends the PSC acknowledge that MLEA has complied with the filing requirements in Utah Code Ann. § 54-24-203(4)(b).

Based on the PSC's review of the Report and DPU's comments and recommendation, the PSC acknowledges the Report complies with Utah Code Ann. § 54-24-203(4). Pursuant to Utah Code Ann. § 54-24-203(5)(b), the Report is available for public inspection at the PSC's offices and on its website.

Docket No. 23-030-03
