EBA Additional Filing Requirement 10 – 1<sup>st</sup> Supplemental

**EBA Additional Filing Requirement 10**

Please provide all root cause analyses (RCA) conducted related to outages that occurred during the energy balancing account (EBA) period. To the extent all reports are not available at the time of the EBA filing, the Company will supplement its filing with additional reports that may become available.

**1<sup>st</sup> Supplemental Response to EBA Additional Filing Requirement 10**

Further to the Company's response to EBA Additional Filing Requirement 10 dated May 1, 2023, and at the request of the Division of Public Utilities (DPU), the Company provides the following supplemental information:

Please refer to Confidential Attachment EBA AFR 10-3 1<sup>st</sup> Supplemental which provides copies of documentation included with the Company's original Confidential Attachment EBA AFR 10-3 but converted from email message format to Adobe PDF format.

Confidential information is provided subject to Public Service Commission of Utah (UPSC) Rules R746-1-601–606.
