Docket No. 09-035-15 / Docket No. 12-035-67 / Docket No. 14-035-31
Q2 2023 Energy Balancing Account Report**

In compliance with the Public Service Commission of Utah's ("Commission") June 15, 2012, order on energy balancing account ("EBA") filing requirements in Docket No. 09-035-15 (as modified by stipulation and Commission order in Docket No. 12-035-67), Rocky Mountain Power hereby submits its quarterly Utah EBA report for the period January 1, 2023, through June 30, 2023 ("Q2 2023").

The report includes Exhibit 1 – the Commission ordered Dynamic Allocation Factor method and Reporting Requirement – Supporting Trade Data. In addition, work papers and supporting calculations are also provided. Note: allocation factors for calendar year 2023 are preliminary and currently based on the final calendar year 2022 allocation factors at this time. Allocation factors for calendar year 2023 have not yet been finalized. The Company's annual EBA filing, due to be filed with the Commission in May 2024 will reflect final calendar year 2023 allocation factors. The data provided is in the format requested by the Division of Public Utilities ("DPU") and approved by the Commission in the above referenced dockets. Confidential information is provided subject to Public Service Commission of Utah ("UPSC") Rule 746-1-602 and 746-1-603.

Informal inquiries may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward
Senior Vice President, Regulation and Customer & Community Solutions
