Complainant Cindy L. Thompson, (“Ms. Thompson”), *pro se*, hereby respectfully submits her Complainant’s Request for Extension of Time to Respond to Rocky Mountain Power’s Motion to Dismss and Answer as follows:

On January 26, 2023, Complainant Cindy L. Thompson filed a Formal Complaint, (“Formal Complaint”), against Rocky Mountain Power (RMP).

On January 30, 2023, the Presiding Officer, Michael J. Hammer, issued a Notice of Filing And Comment Period which provided for RMP to submit a written response on or before Monday, February 27, 2023, and for Complainant to submit a written reply on or before Tuesday, March 14, 2023.

On February 27, 2023, RMP submitted its Motion to Dismss and Answer to Ms. Thompson’s Formal Complaint.

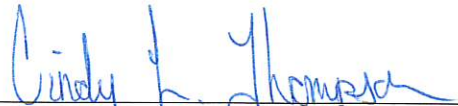

Ms. Thompson is not able to complete her reply by Tuesday, March 14, 2023, for the following reasons:

First and foremost, Ms. Thompson has an elderly (91 year old) aunt that she provides care for. The time that Ms. Thompson is required to provide in caring for her aunt is extensive. Because Ms. Thompson's aunt is becoming more and more reliant upon Ms. Thompson, Ms. Thompson is in the process of attempting to obtain full guardianship and/or full conservatorship of her aunt. Simply put, Ms. Thompson is extensively involved in the care of her aunt and involved in other litigation that, at this time, is highly time consuming and has prohibited her from filing a reply on or before March 14, 2023.

Second of all, notwithstanding the Formal Complaint alleges, among other things, that RMP absconded with its faulty meter, and that RMP's faulty electric meter and/or poor workmanship is the cause of the destruction to RMP's electric meter and the cause of extensive damage to the meter box at the back of Ms. Thompson's home, as well as the cause of a loss of power to the home, RMP provides in its Motion to Dismiss and Answer (at the first page) that "Rocky Mountain Power has not violated any provision of law, Commission order or rule, or Company tariff". Complainant disputes this comment made by RMP and needs more time to research and brief RMP's potential violations of consumer protection law(s), defective product laws, and laws that pertain to taking and/or absconding with potential evidence, as well as more time to research Commission Rules and Regulations, RMP Bylaws, and any other law(s) that may be applicable in this matter.

Whereas, Ms. Thompson hereby requests additional time, until April 14, 2023, in which to file her reply to RMP's Motion to Dismiss and Answer.

Respectfully submitted this 14<sup>th</sup> day of March, 2023.

  
Cindy L. Thompson, *pro se*
