RE: Docket No. 23-035-10 PacifiCorp's 2023 Integrated Resource Plan

Please find enclosed PacifiCorp's preliminary 2023 Integrated Resource Plan ("2023 IRP"). Copies of the 2023 IRP are also available electronically on PacifiCorp's ("Company") website, at www.pacificorp.com/irp. The 2023 IRP contains information outlining how PacifiCorp has addressed applicable procedural and substantive elements of the Public Service Commission of Utah's ("Commission") rules and orders (*see* Appendix B-IRP Regulatory Compliance).

As described in PacifiCorp's Request for Extension granted on March 28, 2023 in the above referenced docket, the Company submits the 2023 IRP to the Commission as an informational filing at this time. Additional opportunity for stakeholder feedback will occur over the next two months and the Company will file its final 2023 IRP on May 31, 2023. The next public input meeting has been scheduled for April 13, 2023.

The Company will provide non-confidential supporting information for the analyses included in the 2023 IRP within two weeks of this submission. Confidential supporting information will be provided no later than May 1, 2023. The Company notes that it has restructured its workpapers, in a manner that enables the public to access more information. Confidential information in the 2023 IRP and workpapers will be available to state regulators and any party who has intervened in this Docket and certified that it agrees to be bound by the Commission confidentiality rules, R746-1-603.

All formal correspondence and data requests regarding this filing should be addressed as follows:
