**Re: Docket No. 23-035-10 – PacifiCorp’s 2023 Integrated Resource Plan**

On April 3, 2023, PacifiCorp (“the Company”) filed its preliminary 2023 Integrated Resource Plan (“2023 IRP”) with the Public Service Commission on an informational basis. In the cover letter that accompanied the 2023 IRP the Company indicated that the non-confidential supporting information for the analyses included in the 2023 IRP would be provided within two weeks of filing.

Accordingly, the Company provides the supporting materials and additional information for the analyses included in the 2023 IRP. Due to the volume and size of the supporting files, the Company uploaded this information to the Commission’s SFTP site. The Company notes that all files uploaded to the SFTP site on the above referenced date contain information that can be made available to the public. Confidential supporting information will be available on or around May 1, 2023, and will be filed with the Commission at that time.

The files are also published on the Company’s website for the 2023 IRP at the following link: [www.pacificorp.com/irp](http://www.pacificorp.com/irp).
