RE: **Docket No. 23-035-10 PacifiCorp's 2023 Integrated Resource Plan**
PacifiCorp's 2023 Integrated Resource Plan

Please find enclosed PacifiCorp's 2023 Integrated Resource Plan ("2023 IRP"). Copies of the 2023 IRP are also available electronically on PacifiCorp's ("Company") website, at www.pacificorp.com/irp. The 2023 IRP contains information outlining how PacifiCorp has addressed applicable procedural and substantive elements of the Public Service Commission of Utah's ("Commission") rules and orders (see Appendix B-IRP Regulatory Compliance).

As approved by the Commission on March 28, 2023, the Company submits its final 2023 IRP that has been updated from the preliminary version that was submitted April 3, 2023 to reflect stakeholder feedback and additional development efforts. The changes made include:

- Additional supplemental sensitivity studies
- Correction to P06 – no forward technology
- Restatement of Present Value Revenue Requirement based on model updates
- Addition of 2 user requested studies:
 - Allow Gas to have a 40-year economic life and review selections
 - Retire Coal by 2030, but leave gas to retire endogenously
- Additional expected case (MM) studies evaluated under alternative price curve futures
- Expanded Appendix I
- Expanded Appendix J
- Addition of Appendix N – includes flexible hydrogen production analysis
- Expansion of narrative in response to stakeholder feedback

The Company will file the supporting detail on or around June 14, 2023, which will contain both non-confidential and confidential work papers.

Confidential information in the 2023 IRP and workpapers will be available to state regulators and any party who has intervened in this Docket and certified that it agrees to be bound by the Public Service Commission of Utah's ("Commission") confidentiality rules, R746-1-603.
