Re: Docket No. 23-035-10 – PacifiCorp’s 2023 Integrated Resource Plan

On May 31, 2023, PacifiCorp (“the Company”) filed its 2023 Integrated Resource Plan (“2023 IRP”) with the Public Service Commission. In the cover letter that accompanied the 2023 IRP, the Company indicated that the supporting information would be available on or around June 14, 2023.

Accordingly, the Company provides the confidential supporting workpapers for the analyses included in the 2023 IRP. The Company uploaded this information to the Commission’s SFTP site. Confidential information will be provided to parties who have intervened in this proceeding and filed an executed Appendix A agreeing to be bound by the Commission confidentiality rules, R746-1-603.

All files that were uploaded to the Commission’s SFTP site on the date of this letter are confidential. The Company notes that it also intends to submit public supporting information for the 2023 IRP to the Commission. The volume and size of the public supporting files will require the Company to upload the public information to the Commission’s SFTP site. To clearly delineate which files are confidential versus public, the Company submits only the confidential files on the date of this letter and will submit the public files to the Commission on June 20, 2023.

The public files are also published on the Company’s website for the 2023 IRP at the following link: www.pacifiCorp.com/irp. Informal inquiries may be directed to Jana Saba, Manager, State Regulatory Affairs, at (801) 220-2823.

Sincerely,
