**RE: Docket No. 23-035-10
PacifiCorp's 2023 Integrated Resource Plan Update**

On April 1, 2024, PacifiCorp (“the Company”) filed its 2023 Integrated Resource Plan Update (“2023 IRP Update”) with the Public Service Commission (“Commission”). In the cover letter that accompanied the 2023 IRP Update, the Company indicated that the supporting information would be available on or before April 5, 2024. Accordingly, the Company files the public, confidential and highly confidential supporting workpapers for the analyses included in the 2023 IRP Update.

Public, confidential and highly confidential workpapers for the 2023 IRP Update have been uploaded to the Public Service Commission of Utah’s (“Commission”) SFTP site and will be available to state regulators and any party who has intervened in this proceeding and has signed and filed an Appendix A agreeing to be bound by the Commission’s confidentiality rules, R746-1-602 and -603. Due to the volume and size of the public supporting files, the Company also uploaded this information to the Commission’s SFTP site. The files have been labeled to differentiate which are public, confidential, or highly confidential.

Informal inquiries may be directed to Jana Saba, Utah Regulatory Affairs Manager, at (801) 220-2823.

Sincerely,

Joelle Steward
Senior Vice President, Regulation and Customer/Community Solutions
