Re: Docket No. 23-035-20

In the Matter of the Application of Rocky Mountain Power to Extend the 2020 Protocol through December 31, 2025

PacifiCorp d/b/a Rocky Mountain Power (“Rocky Mountain Power” or the “Company”) provides this notice under Section 2.2.3 that it is unlikely that a Post-Interim Period Method agreement will be reached before the end of the sunset date of the 2020 PacifiCorp Inter-Jurisdictional Allocation Protocol on December 31, 2025, and is terminating negotiations in the Framework Issues Workgroup. Section 2.2.3 specifically provides:

If the Company determines that it is unlikely that a Post-Interim Period Method agreement will be reached before the end of the Interim Period, then the Company will propose an allocation method for the Post-Interim Period for consideration by the Commissions. Parties are free to take any position regarding PacifiCorp’s proposal, including proposing alternative allocation methodologies, or initiating a complaint or investigation of PacifiCorp’s proposal.

It has become apparent to the Company that the complexities of achieving a negotiated agreement with sufficient time to seek required approvals is unlikely. Consistent with the terms of Section 2.2.3 of the 2020 PacifiCorp Inter-Jurisdictional Allocation Protocol, the Company will propose an allocation method for the Post-Interim Period for consideration and approval by the Commissions.

Sincerely,

Joelle Steward
Senior Vice President, Regulation
