BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Rocky Mountain Power’s 2023 Wildland Fire Cost and Compliance Report)))))))	Docket No. 23-035-27
---	---------------------------------	----------------------

Rocky Mountain Power’s Motion Requesting Leave for Witness to Appear Telephonically

Pursuant to Utah Administrative Code Rule 746-1, Rocky Mountain Power (the “Company”) hereby files this Motion Requesting Leave for a Witness to Appear Remotely so that its witness, Robert Meredith, can appear telephonically at the hearing in the above-captioned matter, which is scheduled for October 11, 2023. Mr. Meredith, Director of Pricing and Tariff Policy, supported Section 5, Cost Recovery, of the Company’s Wildland Fire Protection Plan Cost and Compliance Report and can respond to questions regarding rates and rate spread/rate design related to the Company’s cost recovery request. While no party in the case filed comments raising issues regarding these topics, the Company would like Mr. Meredith available should there be questions regarding rates and rate spread/rate design. The Company plans on presenting Ms. Amy McCluskey, Vice President, Wildfire Safety & Asset Management, as a

witness at hearing and she will participate at the hearing in person. On September 26, 2023, the Company contacted counsel for the intervenors in the docket, including the Division of Public Utilities (“DPU”) and the Office of Consumer Services (“OCS”). DPU and OCS do not oppose Mr. Meredith appearing telephonically; however, they reserve the right to rebut Mr. Meredith’s testimony.

DATED: September 27, 2023

Respectfully submitted,

Carla Scarsella

Attorney for Rocky Mountain Power
