TECHNICAL CONFERENCE

ISSUED: July 26, 2023

On July 25, 2023, Rocky Mountain Power (RMP) filed with the Public Service Commission (PSC) a request for a technical conference to be held on August 11, 2023, at 1:30 p.m. RMP states the purpose of the technical conference is to discuss PacifiCorp's recent credit rating change and related finance matters. RMP also requested the technical conference be closed to the public due to PacifiCorp's ongoing federal and state securities law compliance and disclosure obligations.

The PSC has found presentation of this information to the PSC and state regulatory agencies is in the public interest and expects the presentation to include discussion of confidential information pertaining to PacifiCorp's finances and other sensitive data. Therefore, the PSC determines it is in the public interest to close the technical conference to the public under Utah Code Ann. § 54-3-21(4) for the purpose of allowing RMP's regulators to obtain the information.

Accordingly, the PSC gives notice it will hold a confidential technical conference in this docket on **Friday, August 11, 2023, at 1:30 p.m., Fourth Floor Room 401, Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah**. Attendance at the technical conference will be limited to designated representatives of the PSC, RMP, the Division of Public Utilities, and the Office of Consumer Services. Any person

desiring to attend this event must show government issued photo identification to be admitted past the building security station.

Individuals needing accommodations during the technical conference should notify the PSC at 160 East 300 South, Salt Lake City, Utah 84111, (801) 530-6716, at least three working days prior to the conference.
