**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

Rocky Mountain Power’s 2023 Wildland Fire Protection Plan	Docket No. 23-035-44 <b>MOTION TO VACATE SCHEDULE AND REQUEST FOR EXPEDITED TREATMENT</b>
---	--

PacifiCorp dba Rocky Mountain Power (“RMP” or the “Company”) submits this Motion to Vacate the Schedule and Request for Expedited Treatment in the above-captioned proceeding with the Public Service Commission of Utah (“Commission”), pursuant to Utah Administrative Rules R746-1-301 and R746-315-2(2)(iv). The Company requests the Commission vacate the schedule in this proceeding in order to allow the Company to work with the Utah Division of Forestry, Fire, and State Lands (“FFSL”) to make revisions to the Wildland Fire Protection Plan. The Company has conferred with the Division of Public Utilities (“DPU”) and the Office of Consumer Services (“OCS”), both of which have indicated that they do not oppose the motion.

On September 25, 2023, RMP filed its Utah Wildland Fire Protection Plan for 2023-2025. On October 5, 2023, the Commission set a schedule consistent with R746-315-2 for comments on the Company’s filing. On November 9, 2023, FFSL filed comments on RMP’s Wildland Fire Protection Plan. After reviewing the Comments from FFSL, RMP requests the opportunity to work with FFSL to make revisions to the 2023-2025 Wildland Fire Protection Plan. These revisions will

address the concerns raised by FFSL and provide a more thorough record for the Commission to review. Vacating the schedule also conserves Commission and party resources by submitting comments only once on a revised Plan. As a result, this Motion is in the public interest and consistent with R746-315-2(2)(iv) which allows the Commission to determine that additional time for review of Wildland Fire Protection Plan is warranted and in the public interest. RMP would work expeditiously to file a revised Wildland Fire Protection Plan as soon as possible, but no later than February 29, 2024. After RMP submits its revised plan, the Company would request the Commission hold a scheduling conference to provide for revised deadlines for comments from FFSL and interested parties.

Since the deadline for comments from interested persons is December 1, 2023 and RMP has conferred with the DPU and OCS, RMP respectfully requests that the Commission expedite the time for response and expedite its consideration of this Motion.

DATED this 17<sup>th</sup> day of November, 2023.
