

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

Application of Kennecott Utah Copper, LLC for an Order Determining the Rates, Terms, and Conditions of Electric Service by Rocky Mountain Power to Kennecott	<u>DOCKET NO. 23-035-51</u>
	<u>NOTICE</u>

ISSUED: August 26, 2024

On August 21, 2024, the Public Service Commission (PSC) conducted a virtual status conference in this docket. During the status conference, the parties indicated they have agreed, in principle, to negotiated terms that will resolve this docket, but they require additional time to obtain approval from appropriate authorities within their respective organizations, which they anticipate can be obtained by the end of October 2024.

Rather than set an additional scheduling conference, the parties asked the PSC take no further action in this docket until a party requests it to do so. Once a settlement is finalized, the PSC understands the parties intend to request the PSC set a scheduling conference to establish a deadline for written testimony concerning their stipulated agreement and to set a hearing date for the PSC to consider approving the agreement.

Accordingly, the PSC gives notice it will take no further action in this docket until one or more of the parties requests it to do so.
