ELECTRIC SERVICE
SCHEDULE NO. 9
ADJUSTMENT FOR **INCREASED** (or REDUCED) PURCHASED POWER
COSTS

APPLICATION: This Schedule is applicable to all kilowatt-hours supplied to Customers of South Utah Valley Electric Service District.

MONTHLY ENERGY CHARGE ADJUSTMENT: Energy charges for service supplied under all Tariff rate schedules and contract rates as set forth in each currently effective tariff rate schedule and/or the contract rate are subject to the imposition of any purchased power adjustment, either upward or downward, which may be established and approved for billing from time to time under established procedures.
