Revisions to Tariff No. 1 of Ticaboo Utility Improvement District	<u>DOCKET NO. 23-2508-T01</u> <u>ORDER GRANTING REQUEST</u>
-------------------------------------------------------------------	----------------------------------------------------------------

ISSUED: December 21, 2023

On December 8, 2023, the Ticaboo Utility Improvement District (TUID) submitted a proposed addendum to Rate Schedules 1 through 10 in its Tariff No. 1 for power delivered by the TUID. The TUID proposes a fuel cost surcharge on each kWh sold, for any month that the fuel price is above \$3/gallon (the "Proposal"). The Public Service Commission (PSC) issued an Action Request asking the Division of Public Utilities to investigate and respond by December 22, 2023.

Prior to the response deadline, on December 15, 2023, TUID filed a request to withdraw the Proposal ("Request"). In the Request, TUID states that it has encountered issues with the public notice requirements and desires to withdraw the Proposal.

Good cause appearing, the Request is granted and the Action Request is vacated.

DATED at Salt Lake City, Utah, December 21, 2023.
