Investigation, Re: Open Market Operations	DOCKET NO. 24-035-10 NOTICE OF COMMENT PERIOD

ISSUED: February 2, 2026

On December 19, 2025, the Division of Public Utilities (DPU) filed comments in this docket, providing a brief summary of Rocky Mountain Power's (RMP) and DPU's efforts in this investigatory docket, indicating satisfaction with progress they made through this process regarding documentation of trades, and expressing some concern regarding DPU's ability to evaluate RMP's market transactions because of the evolving nature of RMP's trading activity (e.g. RMP's forthcoming participation in the Extended Day-Ahead Market). DPU asks the PSC to consider requiring RMP to submit an annual filing and presentation to the PSC that discusses the forms RMP is using to document market transactions, available market products, the types of entities acting as counterparties, the market requirements of RMP's system, and any modifications to RMP's policies, procedures, or reporting.

The PSC asks RMP and invites any other interested stakeholder to submit responsive comments regarding DPU's report and recommendations on or before **Wednesday, February 18, 2026.**

DATED at Salt Lake City, Utah, February 2, 2026.
