Re: **Docket No. 24-035-11**, Rocky Mountain Power Results of Operations for the year ended 12/31/2023.

Recommendation (No Action Required)

The Division of Public Utilities (“Division”) recommends the Public Service Commission (“Commission”) include the review of Rocky Mountain Power’s (“RMP”) Results of Operations Report (“2023 ROO”) with the Division’s review of RMP’s General Rate Case, Docket No. 24-035-04, that is anticipated to be filed prior to July 1, 2024.

Issue

On April 18, 2024, RMP filed its 2023 ROO for the year ended December 31, 2023. The Commission issued an Action Request on April 18, 2024, directing the Division to review the 2023 ROO and make recommendations with a due date of May 20, 2024. This memorandum is the Division’s response to the Action Request.

RMP opened Docket No. 24-035-04 in January 2024, and filed testimony requesting a 2023 base year in anticipation of filing a general rate case by April 30, 2024. RMP recently

postponed the rate case filing and anticipates filing the general rate case by July 1, 2024. The Division will be conducting its review of the 2023 ROO as part of the analysis of the base period for the general rate case. The Division requests the Commission allow the review of the 2023 ROO be substituted with the Division's review of the general rate case base period.
