Re: *Rocky Mountain Power's 2023 Annual Report of the Blue Sky Program*;
Docket No. 24-035-14; and
Rocky Mountain Power's 2024 Annual Report of the Blue Sky Program;
Docket No. 25-035-19.

Dear Mr. Viner:

I am providing the following in response to your e-mail request for information pertaining to PacifiCorp's Blue Sky Program. PacifiCorp does business in Utah as Rocky Mountain Power (RMP). The Public Service Commission of Utah (PSC) approved RMP's Blue Sky Program and requires RMP to file an annual report on the Blue Sky Program. This report is reviewed by the Division of Public Utilities (DPU), a state agency, and other interested parties.

RMP's 2023 Annual Report of the Blue Sky Program for the January 1 through December 31, 2023 period ("2023 Report"), filed on March 27, 2024; DPU's April 24, 2024 comments on the 2023 Report ("Review"); and the PSC's May 28, 2024 letter acknowledging the 2023 Annual Report can be found at the following link:
<https://psc.utah.gov/2024/03/28/docket-no-24-035-14/>.

In its Review of the 2023 Report, DPU concluded the report "complies with [PSC] Orders and adheres to the [PSC]'s reporting requirements."¹

¹ DPU Review, at 4.

On April 17, 2025, RMP filed with the PSC its 2024 Annual Report of the Blue Sky Program for the January 1 through December 31, 2024 period ("2024 Report"). The 2024 Report is pending review. All related documents can be found at:

<https://psc.utah.gov/2025/03/26/docket-no-25-035-19/>.

We hope this information is helpful. Please let me know if we can be of further assistance.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
