Re: Docket No. 24-066-04, *Dixie Power's 2023 Wildland Fire Protection Plan Compliance Report*

Dear Mr. Jack,

The Public Service Commission (PSC) reviewed Dixie Power's 2023 Wildland Fire Protection Plan (WFPP) Compliance Report ("Report"), filed December 30, 2024, pursuant to Utah Code § 54-24-203(4). The Report documents Dixie Power's compliance with the projects contemplated in its 2020 WFPP, including projects completed in Millard and Iron Counties.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on January 15, 2025. DPU states that, upon communication with Dixie Power, it was discovered that Dixie Power had not yet submitted its 2023 WFPP Compliance Report. Dixie Power then promptly filed this 2023 Compliance Report with the PSC.¹ DPU summarizes key details of Dixie Power's service area and provides a comparative analysis between 2023 and 2022. DPU recommends improvements to the Report, including tabulating the associated costs for each completed project and recording other routine and annual maintenance and inspection events. DPU comments that the Dixie Power Board of Directors reviewed and approved the Report on November 1, 2023. DPU recommends the PSC acknowledge that Dixie Power has complied with the filing requirements in Utah Code § 54-24-203(4)(b).

¹ Utah Code § 54-24-203(4)(b) states that "an electric Cooperative shall file with the commission a copy of the annual compliance report described in Subsection (4)(a)."
