Hello,

On January 27, 2025, following a properly noticed public meeting of its members, Garkane Energy's Board of Directors approved the following schedule in its Utah Tariffs:

- Approved: Schedule Small EV Charging (revised from previous tariff with new rate and Time-of-use rate)
- Approved: Schedule Large EV Charging (new tariff)
- Redlined Tariff – Small EV Charging
- Affidavit of Publication of Public Hearing notice

As per the PSC filing requirements, we will mail the original schedule and two copies.

If you require further information on this schedule, please contact us at the number listed below.

Sincerely,

Neal Brown
