Re: Docket No. 25-028-T01 - *Garkane Energy Cooperative, Inc.'s Proposed Tariff Revisions*

Dear Mr. Brown,

The Public Service Commission (PSC) reviewed Garkane Energy Cooperative, Inc.'s ("Garkane") February 10, 2025, filing of proposed changes to its Electric Service Tariff Schedules ("Tariff Revisions"). The proposed changes include a revised Schedule for Small EV Charging and a new Schedule for Large EV Charging. Garkane states its Board of Directors approved the Tariff Revisions following a properly noticed public meeting on January 27, 2025. The filing proposed an effective date of March 1, 2025.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on February 20, 2025. DPU states that Garkane complied with Utah Code Ann. § 54-7-12(7) by publishing weekly notices in a local newspaper and holding a public meeting of its members on January 27, 2025, and complied with Utah Admin. Code R746-405-2(D)(6) by providing both clean and marked-up versions of the Tariff Revisions. DPU notes that while this filing did not provide the 30-day notice required by Utah Code Ann. § 54-3-3, the Code allows the PSC to acknowledge the tariff changes without the 30-day requirement for good cause. DPU recommends the PSC acknowledge the Tariff Revisions with an effective date of March 1, 2025, and remind Garkane of the 30-day notice requirement in future filings.

Based on the PSC's review of the Tariff Revisions and DPU's comments and recommendation, the PSC finds that no material harm to Garkane's members, the public, or Garkane itself resulted from Garkane's failure to meet the 30-day notice requirement. The PSC reminds Garkane to strive to meet the 30-day notice requirement under Utah law in future filings. The PSC finds good cause exists to acknowledge the Tariff Revisions and acknowledges the Tariff Revisions as complying with Utah Code Ann. § 54-7-12 and makes them available for public inspection.

Sincerely,

/s/ Gary L. Widerburg
