|---|---|

Pursuant to Utah Code Ann. § 63G-4-201, 203 and Utah Admin. Code R746-1-202, Rocky Mountain Power (“Company”) respectfully requests that the Public Service Commission of Utah (“Commission”) approve its Amendment to the Agreement for Electric Service to Additional Customers (“Agreement”) with the city of Enterprise, Utah (“City”) whereby the City agrees to allow the Company to provide electric service to certain additional customers (“Additional Customer(s)”) inside its municipal boundary and located outside Rocky Mountain Power’s certificated service territory (“Amendment”). A copy of the Amendment is attached hereto as Attachment 1. This Amendment amends the existing Agreement which was approved by the Commission in Docket No. 12-035-19. In support of this petition, the Company states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is authorized by a certificate of public convenience and necessity issued by the Commission to provide

electric service to customers, inclusive of the Additional Customer(s), in areas inside the municipal boundary of the City. Rocky Mountain Power's principal place of business in Utah is 1407 West North Temple, Suite 320, Salt Lake City, UT 84116.

2. Certain Additional Customer(s), identified more particularly in the Exhibit A to the Amendment, have requested service from the Company, which electric service is located inside the municipal boundaries of the City. Exhibit B to the Amendment shows the relative location of the Additional Customer(s) to the nearest the City distribution facilities and the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are located nearer to the Company's distribution facilities than to the nearest City distribution facilities. The Additional Customer(s) are not currently receiving electric service at the requested location(s) from either the Company or the City.

3. The City is a municipal provider of retail electric service within the municipal boundaries of the City. The City desires the Company to provide electric service to certain Additional Customer(s), identified more particularly in Exhibits A and B to the Amendment, inside its municipal boundary. The municipal offices of city of Enterprise are located at 375 South 200 East, Enterprise, Utah, 84725.

4. The Legislature of the State of Utah passed Senate Bill 180 (the "Bill") during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a public utility outside of certificated service territory. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 54-3-30 and 54-4-40 the Company has submitted a request to the City to provide electric service to the Additional Customer(s) permit the Company to provide electric service to the Additional Customer(s), the City has

agreed to allow Rocky Mountain Power to provide electric service to the Additional Customer(s), and the Company and the City have entered into the Amendment for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission. A map showing the approximate location of the Additional Customer(s) is attached as Exhibit B to the Amendment.

6. The Parties have entered into the Amendment, subject to the Commission's approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40 to provide terms and conditions for the Municipality to provide electric service to Additional Customer(s) in accordance with, the terms and conditions of the Agreement.
