Re: **Docket No. 25-035-19**
Extension Request – 2024 Annual Report of the Blue Sky Program

Pursuant to the Report and Order issued by the Public Service Commission of Utah on March 21, 2008 in Docket No. 00-035-T01, Rocky Mountain Power (the “Company”) must file its Annual Blue Sky Program Report (“Annual Report”) by March 31st each year.

The Company respectfully requests a one-time extension for the 2024 Annual Report to be due no later than May 1, 2025. The Company’s intent is to file as soon as possible, but due to the Blue Sky Program Manager leaving on short-term disability, the Company needs additional time to compile and finalize the Annual Report materials prior to filing.
