Re: Docket No. 25-035-22 – PacifiCorp’s 2025 Integrated Resource Plan

On May 31, 2025, PacifiCorp (“the Company”) filed its 2025 Integrated Resource Plan (“2025 IRP”) with the Public Service Commission. In the cover letter that accompanied the 2025 IRP, the Company indicated that the supporting information would be available on or around April 11, 2025.

Accordingly, the Company provides the confidential and highly confidential supporting workpapers for the analyses included in the 2025 IRP. The Company uploaded this information to the Commission’s SFTP site. Confidential and highly confidential information will be provided to parties who have intervened in this proceeding and filed an executed Appendix A agreeing to be bound by the Commission confidentiality rules, R746-1-603.

All files that were uploaded to the Commission’s SFTP site on the date of this letter are confidential or highly confidential. The Company notes that it also intends to submit public supporting information for the 2025 IRP to the Commission. The volume and size of the public supporting files will require the Company to upload the public information to the Commission’s SFTP site. To clearly delineate which files are confidential versus public, the Company submits only the confidential and highly confidential files on the date of this letter and will submit the public files in a separate filing to the Commission.

The public files are also published on the Company’s website for the 2025 IRP at the following link: www.pacificorp.com/irp. Informal inquiries may be directed to Max Backlund, Manager, State Regulatory Affairs, at (801) 220-3121.

Sincerely,

Joelle Steward
Senior Vice President, Regulation
