**Re: Docket No. 25-035-22 – PacifiCorp’s 2025 Integrated Resource Plan**  
*PacifiCorp’s 2025 Integrated Resource Plan Update*

Please find enclosed PacifiCorp’s (the “Company”) 2025 Integrated Resource Plan Update (“2025 IRP Update”). The 2025 IRP Update can also be accessed on PacifiCorp’s website at <https://www.pacificorp.com/energy/integrated-resource-plan.html>.

The Company will submit the supporting workpapers on or around April 10, 2026, which contain support and additional information for the analyses included in the 2025 IRP Update. The workpapers will also contain non-confidential and confidential information. Confidential information will be uploaded to the Commission’s SFTP site and is provided in accordance with Commission Rule R746-1-602 and 603.

PacifiCorp’s 2025 IRP Update provides a number of updates including a description of policy changes, procurement activities, an updated load and resource balance, an updated resource portfolio reflecting updates to the load forecast, pricing and other model inputs, and a status update on action items from the 2025 IRP.

On October 17, 2025, the Public Service Commission of Utah (“Commission”) issued an Order in Docket No. 25-035-52 in response to Utah Clean Energy’s request for an investigatory docket to potentially open an expedited process aimed at procuring tax-advantaged energy resources (“Order”). In the Order, the Commission denied the request, but directed the Company to “include a detailed explanation in its next IRP Update of the analysis and actions it undertook to evaluate and pursue any opportunities to procure needed resources that qualified for the expiring tax credits.”<sup>1</sup> The 2025 IRP Update contains the additional information as required in Highly Confidential Appendix H. Highly confidential information has been uploaded to the Commission’s SFTP site and provided to the parties listed in Commission Rule R746-1-602(1)(a). Any other party who wishes to view the highly confidential information can contact Max Backlund at [max.backlund@pacificorp.com](mailto:max.backlund@pacificorp.com) to make arrangements to review.
