Attorney for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In The Matter of the Application of Rocky Mountain Power for Approval of the 2026 Inter-Jurisdictional Cost Allocation Protocol	Docket No. 25-035-47
In the Matter of Rocky Mountain Power's Application for a Deferred Accounting Order Regarding the 2026 Inter-Jurisdictional Allocation Protocol	Docket No. 25-035-69

ROCKY MOUNTAIN POWER'S MOTION TO EXTEND THE PROCEDURAL SCHEDULE

Pursuant to Utah Admin. Code R746-1-301, the Public Service Commission of Utah's ("Commission") rules of procedure, PacifiCorp d/b/a Rocky Mountain Power ("Rocky Mountain Power" or "Company") files this Motion to Extend the Procedural Schedule ("Motion") in this docket by approximately 60 days.

On August 5, 2025, Rocky Mountain Power filed its Application for Approval of the 2026 Inter-Jurisdictional Protocol ("2026 Protocol") with the Commission in this docket. On February 20, 2026, the Company filed a Motion to Suspend the Procedural Schedule and to Suspend Discovery to allow the Company to discuss with parties the proposed sale of the Company's Washington service area to Portland General Electric Company and its effect on the allocation of certain costs under the 2026 Protocol currently pending approval by the Commission. On

March 5, 2026, the Commission issued the Order Granting Motions to Suspend Schedule and Discovery, which included a request that the parties “confer and file a proposed stipulated amended schedule in each docket on or before Tuesday, April 7, 2026.”¹

Rocky Mountain Power and the parties requested an additional 30 days for the parties to file a proposed stipulated amended schedule by Thursday, May 7, 2026. On May 7, 2026, the parties requested an additional 60 days for those discussions to progress further. The parties agreed to file a proposed stipulated amended schedule by July 7, 2026.

The Company and the parties continue to have discussions and respectfully request additional time to continue discussing the company’s application.

Rocky Mountain Power contacted parties in this proceeding, and the Utah Division of Public Utilities, the Utah Office of Consumer Services, the Utah Association of Energy Users, the Utah Large Customer Group, Western Resource Advocates, Utah Clean Energy, Nucor Steel-Utah, and Sierra Club do not oppose extending the schedule in this proceeding.

For the reasons discussed above, Rocky Mountain Power requests the Administrative Law Judge extend the procedural schedule in this docket for approximately 60 days to September 9, 2026.

¹ Public Service Commission of Utah, Order Approving Motions to Suspend Schedule and Discovery, issued March 5, 2026.

Respectfully submitted this 7th day of July 2026.
