Myrna Limb Fryne Bergeron

Dec 14, 1930
Apr 23, 2024

Mesquite, NV—Myrna departed this life with outstretched arms as she was greeted by her Mother, Godspeed and happiness on your journey. Her final days were spent dealing with a hip replacement.

Myrna had the good fortune to have Annie Esmeayer and William Limb for parents. She was the 9th of 10 children so she was very comfortable being around people. She had the natural gift of attracting and getting to know everyone. She was a natural and had the best parents and from them she learned to stand tall and address whatever came before her head-on, lead don't follow. She was quite brave and yet she had a pretty and soft side. She was born and spent most of her life in Salt Lake City.

Myrna had an extraordinary personality. She was full of life and always had a youthful energy about her. She liked to look her best and topped off her feminine qualities with attractive clothes and her million dollar smile. She was forever 50 and I loved her for it. She loved going to new places and meeting new people. She was 100% into everything that she did and with all of her life she was involved with. She was confident, beautiful, caring, quick thinking, smart and hard working. She could be in a stunning evening gown and beautiful one day and digging in the garden the next and still have that natural beauty with that heart warming smile. She had high standards and enjoyed tasting the finer things in life. She was the best wife you could have.

She loved keeping a clean house, cooking and making a house into a warm and cozy home. This girl liked to walk as she wore out the wheels on her baby strollers. She especially liked Christmas. She loved decorating the tree, cooking the turkey and getting Santa to meet all the grandkids and some adults too. Some of her favorite things were the color pink, connecting to family members, beautiful flowers in her gardens, skiing, golfing, driving in the mountains, sunning on the beach or lake and going to AJ's or listening to Rusty sing the Pussy Cat song. A Sunday drive was one of her favorite past times. She really enjoyed all of the varied scenery this world has to offer. Myrna also enjoyed coaching girls sports and she loved to fly our US flag.

Myrna was in the real estate field for 23 years in Salt Lake. She really enjoyed getting people into homes. That showed how important home ownership and home life was to her. She worked at Penny's, O.C. Tanner, and Bennett Plant. She met Wayne Bergeron in Evanston, WY in 1984 and they were married at Monument Valley in 1990. They were married for 34 wonderful years. It was a miracle that a man from Louisiana got so lucky and met this Salt Lake beauty. I was fortunate to be one part of her many faceted life. We mostly me, did a lot of soul searching and learning. She was the best teacher and guide I could have had. It takes a good woman to make a man. We loved each other and you could see it in our caring affection for one another. She is dearly missed.

We lived in SLC, Destin, FL and Mesquite NV. She especially loved her children, grandchildren, great grandchildren and many friends.

Survived by Wayne Bergeron, husband, son Ron Frame (Lorri), Sandy, UT, daughter Chris Connolly, Sandy, UT, 9 grand children, 14 great grandchildren, one great grandson and brother John Limb (Rosie), Las Vegas, NV.

Predeceased by daughter Mary Ann and son-in-law Jerry Schriever, Brothers: Bud, Alton, Norman, Byron, Bill, Jesse.

Kristine Ecker Argyle

1957-2024

St. George, UT—Kristine "Kris" Ecker Argyle passed away in St. George, Utah on April 27, 2024, with loved ones by her side.

Kris was the one who showed up for her family every time. Everyone had fun when she was there.

Born in Salt Lake City on May 27, 1957, to Dorothy and Raymond Ecker. Kris spent childhood winters on skis and summers at Fish Lake with her grandparents.

After graduating from Hillcrest High School in 1969, Kris attended Utah State University and married Paul Argyle on November 20, 1976. Together they have two daughters and three grandchildren.

Kris remained young at heart and relished her happy childhood with her grandkids. To her, to listen, to love, to be watched for Grandma's car and it up with joy when she walked in the room. On long road trips, Kris passed down her music taste to her girls, grandkids and anyone along for the ride. No matter where they were in life, Kris' family knew they could count on her. She was curious, always looking for answers to life's mysteries in the pages of books or on the History Channel. Studying history, politics or global events was Kris' lifelong hobby. There were other hours spent outside in her rose garden, on trips around the country and to Europe, spring skiing with grandchildren, and listening to The Beatles.

If you wanted to have a long conversation, Kris was the one to call. She told her girls and grandchildren about everything from family history to what it was like to see the Beach Boys play at Laguna in the '60s.

When there were funny family shenanigans, Kris was always the first to crack a joke. She laughed her way through it. We'll never forget her beautiful smile.

Kris is preceded in death by her parents, her older brother David (Laura) Ecker, her beloved Bestfriend, and a big extended family that she could wait to see again. Kris is survived by her husband, Paul Argyle; daughters, Dina Argyle and Kristina (Jared) Fields; three grandchildren Olivia (Drew) Green, Casey Morley and Clayton Fields; her sister Susan (Russell) North; and younger brothers, Scott Ecker and Robert Ecker.

The family is holding a private celebration of life for Kris. Kris always gave so much to those in need. Instead of donations, the family requests donations in her name to the Alzheimer's Association or to a local women's shelter. If you know and loved her, plan a ski day with your family or spend time outside in nature. You will find her there.
