OPPORTUNITY FOR A PUBLIC HEARING AND PUBLIC COMMENTS

Richfield City, in cooperation with the Utah Department of Transportation, is in the process of conducting an environmental study (Categorical Exclusion) to evaluate the potential environmental impacts associated with construction of approximately 1.5 miles of paved bike/pedestrian path from Rotary Park (800 South) to 1500 South in Richfield. The new trail would provide a maximum of 10 feet of paved surface and would be constructed within existing city and UDOT easements. Installation of curb and gutter would necessitate the closure of three unpaved accesses.

The environmental review, consultation, and other actions required by applicable federal environmental laws (including Section 4(f) of the Department of Transportation Act of 1966) for this project are being or have been carried out by UDOT pursuant to 23 U.S.C. 326 and a Memorandum of Understanding, State Assumption of Responsibility for Categorical Exclusions, dated June 12, 2023, and executed by FHWA and UDOT.

This notice provides opportunity for a public hearing (held at Richfield City Hall) and public comments pursuant to Section 6009 of the Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) and the associated FHWA guidance dated Dec. 13, 2005, that a Section 4(f) de minimis impact finding is appropriate for the portions of the Richfield Rotary Park affected by the project. The proposed trail would be installed along the south side of the south parking lot; curb and gutter would separate the trail from the remaining parking lot. The landscape strip would remain; no trees would be removed.

Any person or group wishing to submit comments regarding this finding may do so in writing. The public comment period is 15 days, beginning from the first date of publication of this notice. Comments must be e-mailed or postmarked by June 20, 2024. If you are submitting a comment, requesting a public hearing, or obtaining additional information, please contact Jenna Jorgensen, Jones & DeMille Engineering, Environmental Coordinator, at (435) 893-5203, **jenna.j@jonesanddemille.com**, or 1535 S. 100 W., Richfield, UT, 84701.

1940 ~ 2024

Park City, UT—Obituary for Ann Openshaw Spinola

Ann Openshaw Spinola, 84, of Park City, Utah, passed away on May 30, 2024.

Ann was born on January 11, 1940, in Salt Lake City, Utah, to Vern L. Openshaw and Ruth Georgena Floyd. She attended East High School and the University of Utah in Salt Lake City, Utah. She married C. Smith Sumner, and had two children, Jayne and Devon. Later, they divorced. While raising their children, she obtained an Associate of Arts degree in Interior Design from Cañada College in California. She owned and operated Ann Sumner Design for 30 years in Northern California. Ann loved to design and shop for several long-term clients, where she enjoyed the expression of color. She applied her skills to remodeling two of her own houses and building her dream home in Sonoma. While remodeling her first home, she fell in love with and married her neighbor, Thad Spinola.

Ann was a devoted friend, sister, wife, mother, and Grammy to her grandchildren and great-grandchildren. Ann loved to "go and do". She traveled to many places, near and far, with family and friends. She was also an active member of her communities in California and Park City. She kept in touch with her Kappa Kappa Gamma sisters, and served a term as President of the local chapter. She especially loved the Newcomers Club, where she developed several dear friendships.

Ann is survived by her children, Jayne Sumner and Devon Sumner (Judy); her grandchildren, Tyson Anae (Jess), Bristol Anae, Madin Anae, Harrison Anae, Toni Anae, Joseph Sumner, Sarah Sumner Martinez (Roberto), and Hannah Sumner; her great-grandchildren, Paige Anae and Teo Anae; and her siblings, Judy Hetzel, and Staf Openshaw (Jeri). Jennifer Jensen Allred

1948-2024 Ain't Life Grand!

Millcreek, UT—Jennifer was born in Brigham City, UT to Armour Anton and Jenny Ray Jensen. Growing up, she had the good fortune to experience life in Morocco, Germany, and France, which inspired her lifelong love of travel and other cultures. She attended Davis High School and graduated from Chateauroux High School in France, going on to earn her Teaching degree and Master's degree from the University of Utah. Spotting a "cute guy" from the window of the Student Union reading room where she worked, she met her adventure partner and husband of 49 years, Jim. They had a lifetime of adventures together, backpacking through Mexico and Europe, traveling the US in their VW poptop camper, traveling every summer with their two children, and meeting friends in travel through home exchanges in Spain, Italy, France, and China. Jennifer was a teacher for 32 years and was a lifelong learner. She taught Reading, Geography, English, and French at Olympus Jr. High and Eisenhower Jr. She earned her National Board Certification in teaching, published an article in the Harvard Civic Newsletter, and coached the Olympus Jr. debate team to a State championship. After retirement, she helped care for her grandchildren, regularly taking them to the theater, camping, and other community activities, and passing on her loves of travel, culture, cooking, conversation, and learning. She also went on to become a master scuba diver, taking dive trips to Costa Rica, Cayman Islands, Bimini, Tobago, Barbados, Bahamas, and South Africa. She joined and eventually became president of the Friendship Force of Utah, traveling to Germany, Iceland, Tanzania, Australia, New Zealand, Croatia, Guadalupe, South Africa, and around the US, and hosting travelers from around the world. Jennifer took advantage of every opportunity and was always looking for opportunities for others. She appreciated the beauty of life and was always looking to share it. Ernest Edward Allen

1948 ~ 2024

Ernest Edward Allen, 75, passed away on May 31, 2024, following a valiant fight against multiple illnesses.

Ernie was born on October 17, 1948, in Salt Lake City, Utah to Ralph Kenneth Allen and Ruby Louise Geis, the 2nd of 9 children. He grew up in the Salt Lake area and learned to love the outdoors and the mountains. He served in the US Army following high school. After his military service, Ernie became a skilled Master Electrician and worked for Geis Electric, started by his maternal grandfather and ultimately was run by his dad, Ralph (AL). It was on this job, 32 years ago, that Ernie suffered a near fatal accident that left him a quadriplegic. Defying all odds, Ernie took the 12 years the doctors expected him to live and turned them into over three decades. He was not a quitter!

His girlfriend, Bobbie Jean Hughes, helped him through his recovery after the accident and became the love of his life. They were married on June 7, 1998. Much of Ernie's longevity and fullness of life came to him because of Bobbie's service and sacrifice. She was Ernie's Mother Teresa. During basketball season, they attended nearly every home Jazz game and watched nearly every away game on television. Despite many hardships with Ernie's care, they built a joyful life together, thanks to Bobbie's loving and attentive care. They enjoyed many wonderful summer memories camping, boating and fishing at Strawberry Reservoir and Flaming Gorge. Ernie inspired Governor Utah to allow disabled persons to obtain hunting and fishing licenses and to use "helpers" that were covered under that license. He advocated for better wheelchair accessibility at state parks, especially around boat ramps and docks.

Ernie was also blessed with many kind and caring nurses and aides after his injury. The family expresses their appreciation to all those caregivers who touched Ernie's life in such a positive way. You, too, contributed to the joy he experienced in living.

Ernie is survived by his wife and best friend, Bobbie Allen and his stepchildren; Kimberly (Tom) Leech, Cindy (Blaine) Burnett, Susan (Robb) Hunt, seven grandchildren and one great-grandchild, his siblings; Guy (Bing) Allen, Annette (Rick) Williams and Brian (Velene) Allen. He was preceded in death by his father and mother, Ralph and Ruby, his brothers Mark, David, Barry and John, and his sister and her husband Lori and Keven DeBoard.

A memorial celebration for friends and family will be held on Saturday, June 8, 2024, at 5:00pm at the home of Brian and Velene Allen, 2217 E. Cottonwood Cove Lane, Cottonwood Heights, UT. The family expresses thanks to Starks Funeral Parlor for their compassionate care of Ernie. Condolences can be offered at www.starksfuneral.com.
