To the Public Service Commission of Utah,

My name is Joseph Ybarra, the Complainant in Docket No. 25-035-53. I am writing to respectfully request an extension of time to file my response to Rocky Mountain Power's "Answer and Motion to Dismiss," filed on October 15, 2025.

I only became aware of the filing today, October 30, 2025, after obtaining a copy independently. I was not included on the service list and therefore did not receive proper service of the document when it was filed. Because of that, I have not had an adequate opportunity to review and respond.

Under these circumstances, I respectfully request an additional 15 days from the date of actual notice (today) to file my response. This short extension will allow me to review the filing and prepare a complete and accurate reply.

Thank you for your consideration and for ensuring fairness in the process.

Sincerely,

Joseph Ybarra
Complainant, Docket No. 25-035-53
