)	

In accordance with Utah Code Ann. §§ 54-17-302 and 54-17-501, on October 20, 2025, PacifiCorp d/b/a Rocky Mountain Power (the “Company”) filed an application for approval of a waiver of the requirement for solicitation process and of a significant energy resource decision and report of sale (“Application”). The Application relates to a confidential power purchase agreement (“PPA”) between PacifiCorp and U.S. SFR LLC, a subsidiary of TerraPower, LLC (“U.S. SFR”), for U.S. SFR’s Natrium™ commercial demonstration plant (the “KU1 project”). On November 6, 2025, the Public Service Commission of Utah (“Commission”) scheduled a technical conference for January 13, 2026.

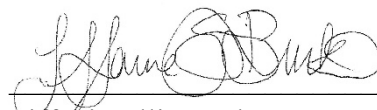

Due to the commercially sensitive nature of the terms and conditions of the PPA and contractual limitations on the Company’s ability to discuss or disclose the PPA’s terms and conditions, the Company respectfully requests that the technical conference be closed to the public to protect against disclosure of the confidential information in accordance with Utah Code Ann. § 54-3-21(4). The Company asserts that a closed conference is in the public interest because it will

allow the Company to provide the information necessary to support its Application and to have open, meaningful discussions with the Commission, Division of Public Utilities, Office of Consumer Services, and other intervening parties.

Accordingly, the Company respectfully requests that the Commission limit attendance at the technical conference to individuals of intervening parties entitled to receive confidential information as specified in Commission Rules R746-1-602(1)(a) and (b). The Company is willing to allow other interested parties to attend and participate who execute a non-disclosure agreement (“NDA”) pursuant to Commission Rule R746-1-602(b), where such individuals do not have a conflict of interest. Such individuals who wish to attend should contact Tiffanie Ellis-Burke at tiffanie.ellis-burke@pacificorp.com. By January 2, 2026, the Company will provide the Commission with a list of individuals who have executed an NDA and to whose attendance the Company does not object.

Respectfully submitted this 10th day of December, 2025.
