**Application of Rocky Mountain Power for Approval of a Waiver of the Requirement for Solicitation Process and of a Significant Energy Resource Decision and Report of Sale**  
*Rocky Mountain Power's Notice of Settlement Stipulation*

Rocky Mountain Power ("Company") provides notification to the Public Service Commission of Utah ("Commission") that it has reached a settlement stipulation ("Stipulation") in the above referenced matter with the Division of Public Utilities, the Office of Consumer Services, and Western Resource Advocates ("Settling Parties"). The Settling Parties have approved the Stipulation and are in the process of executing it. The Company will file the executed Stipulation after the Intervention deadline, Monday, March 9, 2026, established in the Scheduling Order, Notice of Technical Conference, and Notice of Hearing, issued by the Commission on November 6, 2025. This will allow the Company to circulate the Stipulation to the remaining intervenors before presenting it to the Commission.
