Re: **Docket No. 25-035-T10**, RMP's Tariff Filing in Compliance with the Public Service Commission's Order Issued on June 26, 2025 in Docket No. 24-035-04.

Recommendation (Approve Tariff Sheets)

The Division of Public Utilities ("Division") has reviewed Rocky Mountain Power's ("Company") Compliance Filing and recommends the Public Service Commission ("Commission") approve the Company's filing.

Discussion

The purpose of this filing is in response to the Commission's June 26, 2025, Order Granting Partial Reconsideration, Notice that Request for Rehearing Is in All Other Respects Denied and Full Order Will Follow ("Order") in connection with the general rate case in Docket No. 24-035-04. The Company submitted its tariff pages on July 3, 2025, with an effective date of April 25, 2025, consistent with the Order. The Division finds no issues with the submitted sheets and recommends approval of the tariff sheets as filed.

Also included with the filing is an update to Schedule 135-4 to include this tariff sheet in book Tariff P.S.C.U. No. 52. This was approved in Docket No. 25-035-T06 on June 26, 2025.

Conclusion

The Division recommends approval of the Compliance Filing.
