RATE CODE
GS

SPECIAL CONDITIONS:

Measured Demand:

Measured demand shall be defined as the customer's maximum measured fifteen-minute average kilowatt load during the month, as adjusted for power factor.

In instances, however, where the use of energy is intermittent and subject to violent fluctuations, a shorter time interval may be used and the demand determined from special measurements.

If demand exceeds 50 kW for three consecutive months, the account will be reclassified from the GS rate to the LGS rate applicable to the recorded usage.

TERMS OF PAYMENT:

All bills for service are due and payable upon presentation. In the event payment is not received by the payment due date, such account shall be considered past due and will be subject to the terms and conditions of Policy 6.6. Bills shall be rendered monthly. All bills not paid by the date of presentation of the next bill shall be charged a late charge of 2% per month on the unpaid balance on such account. The partial payment of any unpaid balance shall not be construed to mean that Mt. Wheeler is allowing a customer to defer payments on the account.

Terms of Payments:

All bills for service are due and payable upon presentation. In the event payment is not received by the payment due date, such account shall be considered past due and will be subject to the terms and conditions of Policy 6.6 Bills shall be rendered monthly. All bills not paid by the date of presentation of the next bill shall be charged a late charge of 2% per month on the unpaid balance on such account. The partial payment of any unpaid balance shall not be construed to mean that Mt. Wheeler is allowing a customer to defer payments on the account.

Wholesale Power Cost Adjustment:

The rates contained in this tariff are generally based upon the cooperatives cost of purchased power (Wholesale Power). These rates may be subject to the imposition of any purchased power adjustment by a similar percentage, or fixed dollar amount of increase or decrease as it relates to the wholesale power cost from our wholesale power supplier. Any proposed or considered change in these rates must still receive the necessary approvals of the board of directors as outlined in the cooperative bylaws. Section 11.09 (Rate Change).
