Attorneys for the Utah Large Customer Group

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Rocky Mountain Power's Application for Approval of the 2026 Energy Balancing Account	Docket No. 26-035-01 PETITION FOR LEAVE TO INTERVENE OF THE UTAH LARGE CUSTOMER GROUP
--	---

Pursuant to Utah Code Ann. § 63G-4-207 and Rule R746-1-108, the Utah Large Customer Group ("UTLCG") files this Petition for Leave to Intervene in the above-captioned docket. In support of this Petition, the UTLCG states the following:

1. The UTLCG is an unincorporated association of certain Rocky Mountain Power ("RMP" or the "Company") Schedule 9 customers in the State of Utah.
2. As among RMP's Schedule 9 customers, UTLCG members receive and pay for electric service from RMP.
3. On May 1, 2026, RMP filed its application in the above-captioned docket, seeking approval of its 2026 Energy Balancing Account ("EBA"). The Application also requests approval to recover approximately \$190.6 million in deferred costs including \$193.7 million of EBA-related

costs; a credit of approximately \$9.9 million for sales made to a special customer; a \$7.9 million adjustment for Utah situs resources; a credit of \$4.5 million to reflect the 2025 EBA Order; a \$13.0 million reduction to reflect the remaining over-collected balance from the 2024 EBA; a credit of approximately \$0.3 million for Electric Vehicle Infrastructure Program (“EVIP”) Schedule 60 revenue; and a charge of approximately \$16.7 million in interest. RMP is seeking to recover the costs over 12 months beginning on July 1, 2026 through June 30, 2026. This results in an overall decrease to retail customers of approximately \$374.8 million, or 12.5 percent.

4. The UTLCG seeks to intervene in this proceeding because the Commission’s ultimate determination may significantly impact UTLCG members’ rates for electric service. The UTLCG has a direct and substantial interest in ensuring that RMP charges its Utah customers, and Schedule 9 customers in particular, just, reasonable, and accurately calculated charges through the EBA. Accordingly, UTLCG members’ legal rights and interests will be substantially affected by this proceeding.

5. The nature and quantity of any evidence to be presented by UTLCG in this proceeding is not yet known and UTLCG reserves the right to participate as its interests may appear. Without intervenor status, UTLCG is unable to evaluate the extent to which RMP’s application may adversely impact member rates or otherwise determine UTLCG’s position in this matter.

6. An intervention deadline of January 8, 2027 has been set for this Application. Therefore, the UTLCG’s Petition is timely.

7. Notices in this proceeding should be sent to the following:
