Re: **Docket No. 26-035-06**, PacifiCorp's Semi-Annual Market Activity Report

Recommendation (Request for Extension)

On August 17, 2026, the Public Service Commission of Utah ("Commission") issued an Action Request to the Division of Public Utilities ("Division") for a review of PacifiCorp's Semi-Annual Market Activity Report with a due date of September 16, 2026. The Division requests an extension of the Action Request due date to November 20, 2026.

Issue

The Semi-Annual Market Activity report provides a summary of the hedging activities for both natural gas and electricity. Not only is this a change in name, but the Company has changed its method for hedging power and the Division needs more time for analysis.

Conclusion

The Division requests more time in order to provide the Commission with a more complete analysis of the market activity report. The Division requests an extension of the Action Request due date to November 20, 2026.
