Re: **Docket No. 26-035-08**, Division of Public Utilities' Audit of PacifiCorp's 2025 Fuel Inventory Policies and Practices

The Division apologizes to the Commission and to Rocky Mountain Power for the delay in the filing of this memorandum, which is due on March 31st of each year. The lateness is due to a maintenance emergency that occurred at my house, and to the press of other business.

Respectfully submitted this 2nd day of April 2025.
