Seller's Insurance

Under U.C.A. §54-26-602(1)(e), Will-Power UT, LLC is obligated to maintain reasonable commercial liability insurance as determined by contract or the commission. Within the Power Purchase Agreement (“PPA”) to which Will-Power UT, LLC is bound as Seller, Exhibit C-1 provides the Seller’s Insurance Requirements wherein it is expressly contemplated that “[s]eller may obtain all or part of the insurance required under this Agreement under a commercial insurance policy(ies) or self-insurance.” Exhibit C-1(a).

Project Aquila is still in the pre-construction phase. As such, Will-Power UT, LLC’s present insurance needs required to satisfy the PPA and the applicable statutory authority requiring “reasonable commercial liability insurance as determined by contract,” U.C.A. §54-26-602(1)(e), is minimal at this time. Will-Power UT, LLC therefore will update the Public Service Commission as more extensive insurance coverage becomes applicable.

Re: Evidence of Insurance

To Whom It May Concern:

To satisfy your request to provide evidence of insurance, please be advised that The Williams Companies, Inc. ("Williams") and all its divisions, subsidiaries and affiliates maintain high retentions for our insurance programs. Losses that fall within these self-insured retention levels, including those for which Williams may be contractually liable, are covered by Williams and are self-administered. A current Annual Report can be accessed online at: <https://investor.williams.com/financials/quarterly-earnings-and-annual-reports>.

I trust this information will satisfy your request for evidence of insurance; however, if you have questions or need additional information, please contact our Risk Management and Insurance Department at 918-573-2584.

Sincerely,
