RESPONSE OF AMAX MAGNESIUM CORPORATION
TO AMENDED PROPOSED LIST OF STIPULATED FACTS

In response to the Commission's March 31, 1988 Order, AMAX Magnesium Corporation ("AMAX") hereby states that it has only recently received the Amended List of Stipulated Facts. AMAX notes that while some of its suggestions are reflected in the Amended List circulated by the Utility Shareholders Association, some are not. Since the conference to review the list is scheduled for April 21, AMAX hereby incorporates by reference its previously submitted suggestions on the original Proposed List of Stipulated Facts as its comments for discussion at the conference.

AMAX fully reserves its rights to comment on any issues developed and circulated by the Division of Public Utilities or any other party as a result of the April 21 conference.

Respectfully submitted,
