Re: Utah Merger
Case No. 87-035-27

Dear Chairman Stewart:

In anticipation of the merger of PacifiCorp and Utah Power & Light Company, I enclose a form of adoption certificate we propose using to formally record the transfer of tariffs to the merged company. Because the terms of all filings will remain unchanged, we hope it will not be necessary to recreate and file new tariffs just to change the effective dates.

Please let me know whether you believe this approach will be satisfactory.

Very truly yours,

THOMAS W. FORSGREN
