The Utility Shareholders Association of Utah ("USAU") hereby petitions The Public Service Commission of Utah for an Order of Stipulation of Agreed Facts and Disputed Facts. The USAU requests the Commission to order the parties in this matter to stipulate as to those facts upon which the parties agree and to those facts which remain in dispute. Due to the voluminous amount of factual information involved in this matter, it is in the best interest of the Commission and the parties involved to ascertain the areas of factual dispute prior to the hearing of this matter.

In view of administrative economy, Petitioner suggests that the Commission order the Applicants to compile a list of proposed agreed facts and facts in dispute. In order to

expedite this process, the following dates are suggested: The initial list of proposed agreed and disputed facts shall be mailed by Applicants to the other parties no later than April 1, 1988. The other parties shall indicate their written agreement, disagreement, additions and/or deletions to USAU no later than April 11, 1988. The parties shall reach an agreement as to the categorization of agreed and disputed facts no later than April 25, 1988. A copy of a proposed Order is attached hereto as Exhibit "A".

For the reasons stated above, USAU respectfully requests the Commission to grant USAU's petition for an Order for Stipulation of Agreed and Disputed Facts.

DATED this 17th day of February, 1988.
