CASE NO. 87-035-27

MATTER: UMPA Intervention & UP&L's Motion for Protective Order
UP&L/Pacific P&L Merger

FILED BY: UMPA (Gary Dodge) - UP&L (Tom Forsgren)

DISPOSITION: No objection by any party to UMPA's intervention (UP&L
however requests that UMPA be grouped with UAMPS and DG&T). Commission
granted intervention but grants individual party status to UMPA because
it opposes the merger.

The Protective Order requested by UP&L is granted as prepared, Appendix A
not included.
