I am in favor of Utah Power & Light's proposed merger with Pacifi Corp, which will bring Utah lower power bills... and more jobs for our children and grandchildren. Please keep me informed by updating me on the progress of the merger... as well as other steps you are taking to reduce my power bills.

Monopolies at any level destroy Liberty, General Welfare, Economy, and the best interests of people individually and collectively. They have to be compelled to be honest. Competition or else non-profit co-operatives in the long run are prerequisite to defend, protect, and preserve free enterprise and Constitution principles, and preclude compelled
