AMENDED ORDER

ISSUED: September 22, 2000

By The Commission:

PROCEDURAL HISTORY

In our Report and Order dated September 1, 2000, granting the amendment sought herein, the Commission failed to apply a condition that had been previously recommended by the Division of Public Utilities, Department of Commerce (DPU). In light of the error, we issue the following ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

- Our Order of September 1, 2000, be, and it is, amended to reflect that approval of Amendment No. 6, to the existing electrical service agreement between PacifiCorp and Geneva Steel Company, is hereby subject to the condition that if incremental system costs are materially different than assumed in support of this Agreement, the Commission may modify the rates, prospectively, to make a reasonable contribution to fixed costs.
- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.

DATED at Salt Lake City, Utah, this 22nd day of September, 2000.
