DOCKET NO. 00-035-15  
PROCEDURAL ORDER AND NOTICE OF  
FURTHER SCHEDULING CONFERENCE

-----

ISSUED: September 17, 2001

By The Commission:

Pursuant to Revised Scheduling Order and Notice of Pre-hearing Conference issued August 10, 2001, a scheduling conference was held in the above-referenced matter on August 29, 2001. The parties held a lengthy off-the-record discussion. During the course of the discussion, the Division of Public Utilities ("Division") provided two documents to the parties which were later filed with the Commission: Suggested Issues to be Decided in Phase I and Suggested Technical Conference Agenda. Based upon these documents and a preliminary agreement about certain aspects of a schedule for the first phase of the docket, the parties have preliminarily agreed that the docket could be conducted in two phases with the first phase addressing issues such as those set forth on the Division's Suggested Issues as modified based upon further input from the parties and the Commission and further agreed upon a preliminary schedule and procedures as follows.

The Commission has reviewed the agreement of the parties and finds the same to be in the public interest.
