DOCKET NO. 01-035-23  
REVISED PROCEDURAL ORDER

-----

ISSUED: January 23, 2002

By The Commission:

On November 19, 2001, the Commission entered a Revised Scheduling Order in this docket, establishing a schedule for further proceedings and dealing with procedural issues. On December 21, 2001, the Division of Public Utilities filed a Motion to Continue Hearings and Filing Dates in this docket and Docket No. 00-035-15 (SRP Docket). The Division also noticed a hearing on the motion for January 3, 2002. The basis of the motion was that Division testimony in this docket was due to be filed on January 18, 2002 and that Becky Wilson, who was a major scheduled witness for the Division had recently taken a position with the Commission. Therefore, the Division requested that the schedule in this docket be continued for one month. Hearings were scheduled in this docket for April 1-5, 2002. A one-month continuance in the hearing would place it in conflict with the hearing scheduled to commence May 6, 2002 in the SRP Docket. Therefore, the Division also requested a continuance of the schedule in the SRP Docket for at least one month.

On January 2, 2002, the Commission was advised that PacifiCorp did not oppose the motion. Accordingly, on that day, the Commission issued its order in both dockets granting the motion of the Division and canceling the hearing set for January 3, 2002. The order also directed counsel for PacifiCorp to prepare a draft scheduling order to be submitted to the Commission. After reviewing the availability of dates on the Commission's calendar and with counsel for the Division, counsel for PacifiCorp submitted a proposed order. Based upon the foregoing and good cause appearing, the Commission makes the following procedural order.
