ISSUED: May 18, 2006

By The Commission:

We previously issued our May 3, 2006, Report and Order; in which we granted PacifiCorp's Application filed in this docket. We have also received the May 12, 2006, Memorandum of the Division of Public Utilities (DPU). The DPU Memorandum describes the DPU's analysis of the Application and provides its recommendation, which is to approve the Application. As part of its recommendation, however, the DPU asks that PacifiCorp should continue to file Quarterly Financing Activity Reports, with copies filed with the DPU, as the company has been doing pursuant to our order issued in PSC Docket No. 00-035-16. Our May 3, 2006, Report and Order does not include a Quarterly Financing Activity Report filing requirement. Base upon the DPU's Memorandum, we conclude that the company should continue to file such reports, and provide copies to the DPU, as provided in the 00-035-16 Order.

Wherefore, we hereby enter this ORDER amending our May 3, 2006, Report and Order by ordering PacifiCorp to continue filing Quarterly Financing Activity Reports and providing the Division of Public Utilities with copies of such reports as filed.
