BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH	
In the Matter of the Application of Questar Gas Company for a General Increase in Rates and Charges	DOCKET NO. 02-057-02

**THIRD MOTION FOR EXTENSION OF TIME
FOR COMPLETION OF DEMAND-SIDE MANAGEMENT STUDY**

On behalf of the Natural Gas Demand-Side Management Advisory Group, Questar Gas Company (Company) moves the Utah Public Service Commission (Commission), pursuant to Utah Rule of Civil Procedure 6(b), to extend the June 1, 2004 deadline for completion of the Demand-Side Management report. This extension is necessary to enable the Natural Gas DSM Advisory Group to complete its study of "the optimal state funding for the low-income weatherization program." The Utah Department of Community and Economic Development is contracting with GDS (the consultant hired to assist with the DSM Study) to prepare a separate cost analysis of Utah's low-income weatherization program. The Advisory Group believes this would enhance the prior analysis. The Distributed Energy Report was filed with the Commission on June 4, 2004.

The Company is authorized to represent that the Division and the Utah Energy Office to support this motion for extension of time.

Therefore, based upon the reasons set forth above, it is requested that the date for completion of the DSM Study be extended to August 1, 2004.

RESPECTFULLY submitted this ____ day of June, 2004.
