Re: Docket Nos. 98-057-12, 99-057-20, 01-057-14 and 03-057-05 Hearing Procedures

To All Parties of Record:

Pursuant to the Scheduling Order issued March 26, 2004 the Commission is informally providing guidance to the parties in the following schedule for oral argument or other procedures for responding to Commission questions.

Based on the fact that only Questar Gas, the Committee of Consumer Services and the Division of Public Utilities filed opening briefs on prudence, the following schedule has been established for the hearing being held May 27th, 2004 at 9:00 a.m..

Oral Argument by Questar Gas	30 minutes
Oral Argument by Committee	30 minutes
Oral Argument by Division	30 minutes
Rebuttal by Questar Gas	15 minutes
Commission Questions	

The foregoing times are maximum limits and no party will be required to use all of its allotted time.

If other parties file responsive briefs, the schedule will be modified to accommodate argument by them as well. Presumably, they will follow the Division and will have somewhat less time than the Division given the absence of opening briefs.

If you have questions or comments concerning the hearing schedule, I can be reached by phone at (801) 530-6713 or email at jorchard@utah.gov.

Sincerely,

-

Commission Secretary
