**REQUEST OF PETITIONERS ROGER BALL AND CLAIRE GEDDES
FOR RECONSIDERATION OF THE REPORT AND ORDER OF
THE UTAH PUBLIC SERVICE COMMISSION,
ISSUED JANUARY 6, 2006,
DENYING THEM INTERVENTION
AS PARTIES IN THESE DOCKETS**

Roger Ball and Claire Geddes, through counsel, hereby petition the Utah Public Service Commission for reconsideration and reversal of that certain Report and Order, dated January 6, 2006, which denied them intervention as parties in the dockets listed above. Ball and Geddes are customers and ratepayers of the utility at issue in this matter, that is, Questar Gas Company. Ball, moreover, has been a *de facto* party in the dockets listed above in the caption. As grounds for this petition, Ball and Geddes hereby adopt and incorporate by reference all of the text, arguments, and reasoning found in that certain “Request of Petitioners for Reconsideration of the Report and Order of the Utah Public Service Commission, Issued January 6, 2006, Approving a Gas Management Cost Stipulation,” which is being filed with the Commission on even date herewith, February 6, 2006. Ball and Gess further adopt and incorporate by reference (with one exception noted below) all of the text, argument, and reasoning found in that certain “Petitioners’ Response to Opposition of Questar Gas Company, the Division of Public Utilities, and the Committee of Consumer Services to Request for Intervention,” which pleading was filed with the Utah Public Service Commission on December 13, 2005. Ball and Geddes believe that footnote 5 in this pleading has been superseded by the discussion of the factual and legal considerations on this point that is found in the “Request of Petitioners for Reconsideration of the Report and Order of the Utah Public Service Commission, Issued January 6, 2006, Approving a Gas Management Cost Stipulation,” which, as noted above, is being filed with the Commission on even date herewith.

Respectfully submitted this 6th Day of February, 2006.
